EQUIPMENT

WICKIUP 3

The WICKIUP 3 is an ultra-light trekking tent that offers plenty of space and amazing stability in bad weather conditions. An inner tent with half the surface (1 person) is optionally available for optimum and situation-specific agility.

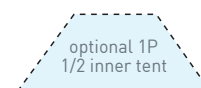

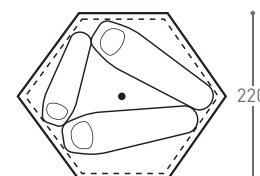

FLY

VENTILATION

2 high, weather-protected ventilation windows for optimum air circulation

SAVE WEIGHT

set up only the outer tent to save even more weight

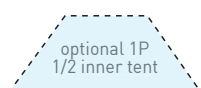

INNER TENT

SUMMER NIGHTS

only set up the inner tent on hot, dry summer nights

SPACIOUS SLEEPING AREA

offers space for 3 people (1/2 size inner tent for 1 person)

TIPI CONSTRUCTION

comes with many advantages:
- Pure nostalgia in the probably oldest tent form
- Plenty of space and air to breathe, no feeling of being cramped in

MESH DOOR

No-see-um mesh door for optimum ventilation and superb protection against insects

CLEARLY DEFINED ORIENTATION
of inner and outer tent thanks to blue straps
